RE: INDUSTRIAL SITE

Dear Grady:

Enclosed please find a copy of the final site survey plat for your individual site on Highway 13. This map accurately depicts the boundary of the park as follows:

Parcel 1	660.70 Acres
Parcel 2	127.32 Acres
Parcel 3	27.65 Acres
Parcel 4	2.89 Acres
Total	818.56 Acres

Several of the environmental studies maps were done before this survey was completed and may vary slightly from the final map. Please be assured the final location of the industrial park is located within the boundaries of these various maps and the entire park area has been included in these studies.

Should you have any questions, please let me know.

Sincerely,

GOODWYN, MILLS AND CAWOOD, INC.
